Meet the Experts:

Introductions and 1:1 sessions

Have a session organised. Just for you.

With Blockchain experts in:

- ✓ Technology
- ✓ Business
- ✓ Investment
- ✓ Marketing

Our team will pair you for 1:1 briefings and a meet-up. Drop us a line with your request, and our team will be delighted to get you the advice and connections you need. Meeting blocks are limited – so be quick with your requests!

“

IoT allows you to bring a representation of a real asset and blockchain allows trustable, secure transactions between two parties.

- Jorge Bento - CTO, Vodafone

**18:00 -
19:30**

David Dalton, Global Co-Lead, Deloitte Blockchain Lab:

Closing Address & Community Meet-up

Blockchain Connect. Be Informed. Be Inspired.

To bring our day to a close, David will share what's driving the industry, who's setting the pace, and what's in the store for 2020 and beyond.

Join the Dublin blockchain community to share a beer, a pizza, swapping digits and details – making connections.

DAVID DALTON

Consulting Partner & FSI Irish Lead & EMEA
Blockchain Lab Co-Lead

Meet the Team:

JEREMY BOLES - Sales & Business Development, ditto

Jeremy is passionate about helping startups grow. He covers business development for the Irish market to help fintechs and emerging tech startups find the best way to optimise long B2B sales cycles. Before joining Ditto Jeremy worked for Enterprise Ireland and Microsoft and has been involved with Irish startups for several years. Jeremy also likes to combine his interests in travel and culture with entrepreneurship by hosting the podcast Jez Says International Entrepreneurship Podcast.

JOSEPH LEE - Account and Campaign Manager, ditto & LAB577

Joseph is the Account & Campaign Manager for LAB577 – a company co-creating applications using emerging technology for clients in the financial services industry. He is dedicated to raise the profile of LAB577's innovative blockchain solutions to enable digitisation of the capital markets. Joseph is passionate about sharing stories and is proud to host 'Campfire presents Big Boost Mondays', ditto's monthly tech, art and culture event.

HAYLEY MCCARTHY - Account and Campaign Manager, ditto & Invenica

Hayley is the Account & Campaign Manager for Invenica, a company which solves business challenges using emerging technologies such as Blockchain, Artificial Intelligence, Machine learning and IoT. With over 5 years in the marketing industry, Hayley is committed to building communication and brand awareness for technology companies globally.

JONATHAN SINGER - Account and Campaign Manager, ditto

Originally from New York, Jonathan joined ditto as an Account & Campaign Manager for multiple international tech firms including CWSI, Comarch and Code Institute. Jonathan is an experienced Program Manager with a history of delivering world-class start-up events, mentoring, and workshops at Dogpatch Labs in Dublin. Possessing a natural flair for building relationships within the tech ecosystem he now leads ditto's Blockchain Connect program.
